Recovery...

...more than a treatment episode,
it's for a lifetime.

The Connecticut Community for Addiction Recovery (CCAR) envisions a world where the power, hope and healing of recovery from alcohol and other addictions is thoroughly understood and embraced.

The Connecticut Community for Addiction Recovery (CCAR) is a Connecticut based 501(c)3 nonprofit that promotes recovery from alcohol and other addictions through advocacy, education and service. CCAR "puts a face on recovery" and provides recovery support services to connect people to resources that inspire hope and healing. CCAR is working to end the discrimination that surrounds recovery and ensures that those in recovery are always treated with dignity and respect.

Travelers Championship will give CCAR a check for 100% of pledges received plus an additional 15% from the Bonus Bucks pool.
