

WHO WE ARE AND WHAT WE DO...

The Meriden Humane Society is a nonprofit, no kill animal shelter and rescue facility. Many of our animals are taken from high risk situations like high kill pounds, cruelty investigations and from private citizens who are no longer able to care for their animals.

Our organization is privately run and operated by patrons and residents who donate to our facility.

Without the help from the citizens of our community and surrounding communities, we would not be able to save all of the animals that we do.

Thank you for your help in saving animals lives!
