## About Katie

Katie Dobroczyński was diagnosed with Epilepsy when she was four years old. On October 11, 2013, she passed away unexpectedly at age ten due to complications during surgery to cure her Epilepsy. Katie never complained about her condition. Whenever you asked how she was doing, she would always answer you with "Great!" or "Awesome!", even if she had experienced a day full of seizures. Although Katie had Epilepsy, that did not stop her from enjoying her short life. She loved to swim, fish with her dad, and play golf on the HLCC Golf Little League, and she enjoyed hanging out with her cousins and her many friends at DES and the YMCA. Katie was very much loved by everyone who knew her. This golf tournament is to honor her life and loving spirit. All proceeds will be donated to the Katie Dobroczyński Scholarship fund and charities in Katie's memory. Please consider joining us for dinner and a great day of golf.
